

Refrigerator Pingu 900

Quality has a new name

Structure : available in 2 different versions, or completely in stainless steel 18/10 AISI 304 both inside and outside, or completely in sheet steel epoxy coated always both inside and outside (rust- and corrosion-proof material).

Insulation : high density (40 Kg/m³) foamed-in-place polyurethane, with a thickness of 60 mm. CFC-free

Castors : Nr 4 made in nylon (95 mm Ø), with swivelling system, to make easy any moving required.

Door : Nr 1 hinged, fully insulated door, realized in the same material of the structure (stainless steel 18/10 AISI 304 or sheet steel epoxy coated white) both inside and outside.

Storage capacity : Version with 6 drawers : approx. Nr 400, 250 ml plasma packs

Control panel : including main switch, thermostat, alarm system switches and warning lamps and temperature chart recorder

Thermostat : external, digital, electronic, grouping both the function of displaying the present temperature and adjusting the internal temperature with an accuracy of 1°C

Alarm system : both audible and visual for temperature deviation (maximum and minimum values separately) and power failure.

Temperature chart recorder : with 7 days recording on special round charts (125 mm Ø).

PC connection port : in the top part of the cabinet is mounted a RS232 port for temperature data transferring to a PC. The software (auto-installing) for the PC is included

Cooling unit : compound by a hermetically sealed compressor, an air-cooled condenser (both placed in the top part of the cabinet, externally) and a ventilated evaporator

Defrosting : completely automatic with the collecting basin for the condensate water, placed under the cabinet

Refrigerant : R404a CFC-free

Refrigeration : forced-air, through a fan, granting the maximum temperature uniformity and stability inside of the cabinet

Lmb

Refrigerator Pingu 900

Temperature range : infinitely adjustable between -20°C and -40°C

Voltage : 220-230 V / 1 phase / 50 Hz

Capacity : 700 litres

Dimensions (W x D x H cm) : 72x 82 x 200

Net weight (Kg) : 180

Packed dimensions (W x D x H cm) : 85 x 90 x 215

Gross weight (Kg) : 200
